

ABOUT LONDON

London, the capital of England and the United Kingdom, is a 21st century city with history stretching back to Roman times. At its centre stand the imposing Houses of Parliament, the iconic 'Big Ben' clock tower and Westminster Abbey, site of British monarch coronations. Across the Thames River, the London Eye observation wheel provides panoramic views of the South Bank cultural complex, and the entire city.

ABOUT THE CONFERENCE THEME

Education is an important pillar of any society, fundamental to achieving full human potential and developing an equitable and just society for promoting national development. The new National Education Policy-2020 (NEP-2020) envisions to bring about significant reforms in higher education to cater to the changing landscape of knowledge and create global standards of education. This requires a deep dive and thorough understanding of the provisions and the approach for effective implementation of the same. This conference aims at providing a common platform to all the stakeholders in Education- the regulators, managements, faculty members, researchers, students and people from Industry to deliberate on diverse perspectives of the New National Education Policy-2020, understand its role in transforming higher education and to discuss the practical challenges that may be encountered during the implementation of this policy. The purpose is to provide an understanding of the proposed reforms and ease in creation of a roadmap for effective implementation. To ease the achievement of the goal of transforming India into a vibrant knowledge society by making education more comprehensive, flexible, skill based, multidisciplinary and holistic to shape up future ready professionals who are socially responsible and have high moral values.

RESOURCE PERSON

Eminent Professors, Experts, Scientists from reputed National Universities, Industries and Research Institutions will deliver their lectures on various topics related to the theme of the conference.
